Shipping Insurance Waiver Form

The insurance option guarantees (in the event of freight damage) a refund of the amount spent on the items you purchased. You may waive your right for insurance on freight, this does mean you may not receive a refund from the items shipped.

In the event a claim is denied (by the freight company) because of any action, or lack thereof, on the customers part, those whom waived the insurance, may not receive a Refund.

In simple terms, anyone with a damage claim, whom waives the insurance option, any refund of the order ultimately rests with the results of the claim via the shipping company .

I do not want the insurance and I will wait for my claim to process through the shipping company in the event of damages, and I will accept whatever reimbursement the freight company offers, leaving The Popular Auction without liability.
